

SuperTap-MPO Hardened Co

DESCRIPTION

The rugged SuperTap MPO connector is a hardened connector suitable for both indoor and outdoor applications. The hardened assembly is specifically designed to significantly reduce the time and effort required for cable installation and provide fast and reliable connections.

FEATURES

- Robust design keeps connector intact during installation
- Integral pulling eye/connector cap designed for 100 lb maximum pulling tension
- Designed for aerial, direct-buried or duct installation
- Both male & female connector options available

APPLICATIONS

- Optical Fiber Communication System
- FTTX
- Optical Fiber Data Transmission
- CATV
- LAN
- WAN
- Indoor Application

SPECIFICATIONS

Item	MPO Super Tap Connector
Mode	Male
Insertion loss	≤0.70dB
Return loss	≥55.0dB
Installation temperature	-20~+60°C
Operating temperature	-40~+85°C
Applicable optical cable	2.0mm, 3.0mm
