4F Indoor Wall Mount Terminal Box
20240412-V0

DESCRIPTION

This Fiber-to-the-Home (FTTH) fiber optic terminal wall-mounted junction box is constructed with advanced materials to ensure durability and lightweight construction. It offers simple wall mount installation with provided installation kits. The use of adapter slots eliminates the need for screws and tools when installing adapters, while also providing designated space for adding splitters. This unit supports termination, splicing, and storage for fiber optic cable systems. Additionally, engineered fiber routing within the unit protects bend radius to maintain signal integrity. It can be utilized for desk-mount or wall-mounted setups and is compatible with flush-mount outlets.

FEATURES

• Flip-up tray to facilitate access to adapters and cable entry
• Capable of accommodating 1 piece, 2 pieces, or 4 pieces of adapters
• Compatible with SC Simplex and LC Duplex adapters
• Comes with mounting accessories for wall installation
• It supports termination, splicing, and storage for fiber optic cable systems
